C.Segmentwise performance

Your company operates in the single segment i.e., manufacture and marketing of welding electrodes and as such the discussion of segment-wise performance is not applicable.

D.Concerns

Your Company had a substantially improved turnover during the year ended 31st March 2019 due to overall robustness in the capital goods and infrastructure sector and other user industries. The momentum has somewhat tapered off during the current year on account of declining trend in the overall industrial production.

E.Prospect and Outlook

The welding electrodes industry is undergoing a structural change whereby the demand for Arc welding electrodes is continuously declining and the demand for the new generation CCMS wire products for welding is ever increasing. Anticipating the structural change, your Company has augmented the capacity of CCMS welding wire products to cater to the changed market requirements.

Your Company consolidated its brand image in the market and was able to gain market share. The CCMS Wire product produced by your Company has also received good response among the user industries. With a strong brand image, your company's product enjoys loyal patronage in the user market.

F.Internal control systems

Your company has a proper and adequate system of internal controls to ensure that all assets are safeguarded and protected against loss from un-authorised use or disposition.

G.Human resources and industrial relations

Your Company has well qualified and experienced technical, financial and administrative staff to cater to its business requirements. The relations with the employees of the company remained cordial throughout the year.

CREDIT RATING

Your Directors take pleasure in informing that your Company has been rated by CRISIL and they have assigned a 'CRISIL MSE 2' rating to your Company. This rating indicates High Credit Worthiness in relation to other MSE 's' adjudged in relation to other Micro and Small Enterprises.

SUBSIDIARIES, JOINT VENTURES AND ASSOCIATE COMPANIES

Your Company does not have any subsidiary, joint venture or associate companies.

DIRECTORS' RESPONSIBILITY STATEMENT

Your Directors state that:

- i. in the preparation of the annual accounts for the year ended March 31, 2019, the applicable accounting standards read with requirements set out under Schedule III to the Act, have been followed and there are no material departures from the same;

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **M/s RASI ELECTRODES LIMITED (hereinafter called the company)**. Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the company's books, papers, minute books, forms and returns filed and other records maintained by the company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the company has, during the audit period covering the financial year ended on **31ST MARCH 2019 ('Audit Period')** complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

1. I have examined the books, papers, minute books, forms and returns filed and other records maintained by the company for the financial year ended on **31ST MARCH 2019**, according to the provisions of:

- 1.1. The Companies Act, 2013 (the Act) and the rules made thereunder;
- 1.2. The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;
- 1.3. The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- 1.4. Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings **(Not applicable to the Company during the Audit Period)**;
- 1.5. The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):-
 - 1.5.1. The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - 1.5.2. The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
 - 1.5.3. The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009.
 - 1.5.4. The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
 - 1.5.5. The Securities and Exchange Board of India (Depositories & Participants) Regulations, 1996
 - 1.5.6. The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.
 - 1.5.7. The Securities and Exchange Board of India (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999 **(Not applicable to the Company during the Audit Period)**;
 - 1.5.8. The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008 **(Not applicable to the Company during the Audit Period)**;
 - 1.5.9. The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009 **(Not applicable to the Company during the Audit Period)**; and
 - 1.5.10. The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998 **(Not applicable to the Company during the Audit Period)**;

1.6. I have also examined the systems and mechanism put in place by the Company to ensure compliance with the other Acts, Laws and Regulations applicable to the activities carried on by the Company during the Audit Period. I state that there are adequate systems and processes commensurate with the size and operations of the Company to monitor and ensure compliance of such applicable laws, rules, regulations and guidelines. The following other laws are specifically applicable to the operations carried on by the Company:

- (i). The Factories Act, 1948.
- (ii). The Employees State Insurance Act, 1948.
- (iii). The Employees Provident Fund and Misc. Provisions Act, 1952, and other labour related laws.
- (iv). The Environment (Protection) Act, 1986.
- (v). The Water (Prevention & Control of Pollution) Act, 1974.
- (vi). The Air (Prevention & Control of Pollution) Act, 1981
- (vii). The Micro, Small & Medium Enterprises Development Act, 2006

2. I have also examined compliance with the applicable clauses of the following:

2.1. Secretarial Standards with respect to Meetings of Board of Directors (SS-1) and General Meetings (SS-2), Dividend (SS-3), issued by The Institute of Company Secretaries of India.

2.2. The Listing Agreements entered into by the Company with BSE Limited as prescribed under SEBI (Listing Obligation and Disclosure Requirements) Regulations, 2015.

3. I further report that the applicable financial laws, such as Direct and Indirect Tax Laws, have not been reviewed by me as the same falls under the review of statutory audit and other designated professionals.

4. During the period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above, except in respect of matters specified below:

4.1. Regulation 31(2) of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, requires 100% of the shareholding of Promoters & Promoters' group to be in dematerialised form. About 5600 Equity shares held by one shareholder constituting about 0.017% of the shareholding of Promoter & Promoter group is held in physical form as on 31.3.2019. The Company has advised the Promoter shareholder to dematerialise the shares and it was informed that the process has been initiated.

5. I further report that:

5.1. The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

5.2. Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

5.3. All the decisions at Board meetings and Committee Meetings are carried out unanimously as recorded in the minutes of the meetings of the Board of Directors or Committee of the Board, as the case may be and based on the scrutiny of minutes of the meetings as referred above, I have not come across any dissenting views that were recorded during the Audit Period. There exists a system for capturing and recording the dissent of any members of the Board or Committee in the minutes of the meetings.

6. I further report that there are adequate systems and processes in the company commensurate with the size and operations of the company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines. As informed, the Company has responded appropriately to instructions, directions, orders and notices received from statutory / regulatory authorities including by taking corrective measures wherever found necessary.

7. I further state that during the audit period there were no specific events / actions have happened having a major bearing on the company's affairs in pursuance of the above referred laws, rules, regulations, guidelines, standards, etc. referred to above.

This report is to be read with my letter of even date which is annexed as **Annexure "A"** which forms an integral part of this report.

INDEPENDENT AUDITORS REPORT

To the Members of Rasi Electrodes Ltd

Report on the Standalone Ind AS Financial Statements

Opinion

We have audited the accompanying standalone financial statements of Rasi Electrodes Limited ("the Company"), which comprises the balance sheet as at 31st March 2019, and the statement of profit and loss, statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015 as amended ("Ind As") and other accounting principles generally accepted in India, of the state of affairs of the Company as on March 31, 2019, and its profit, total comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the standalone financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined that there are no key audit matters to be communicated in our report.

Information other than the Standalone Financial Statements and Auditor's Report thereon:

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's information, but does not include the Standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon. In connection with our audit of the standalone financial statements, our responsibility is to read the other information and in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act 2013 ("The Act") with respect to the preparation of these Standalone Ind AS financial statements that give a true and fair view of the financial position, financial performance and cash flows of the company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules 2014.

This responsibility also includes maintenance of adequate records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and free from material misstatements, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the result of our work, and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the order") issued by the Central Government of India in terms of sub-section (11) of section 143 of The Companies Act 2013, we give in the Annexure A, a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by section 143(3) of the Act, we report that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
 - b. In our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c. The Balance Sheet, Statement of Profit and Loss, and Cash Flow Statement dealt with by this Report are in agreement with the books of account.
 - d. In our opinion, the aforesaid financial statements comply with Accounting Standards specified under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - e. On the basis of written representations received from the directors as on March 31, 2019 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2019 from being appointed as a director in terms of Section 164(2) of the Act.
 - f. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".

With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

- i) The Company has disclosed the impact, wherever necessary of pending litigations on its financial position in its financial statements - refer note 26.3 to the standalone financial statements.
- ii) The Company does not have any long-term contracts requiring a provision for material foreseeable losses.
- iii) There has been no delay in transferring amounts required to be transferred to the Investor Education and Protection Fund by the Company.

**“Annexure B” to the Independent Auditor’s Report
Report on the Internal Financial Controls over Financial Reporting under Clause (f) of Sub-section 3 of Section 143 of the Companies Act 2013 (“the Act”)**

We have audited the internal financial controls over financial reporting of Rasi Electrodes Ltd, (“The Company”) as on 31st March, 2019 in conjunction with our audit of the Standalone Ind AS financial statements of the Company for the year ended on the date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on “the internal control over financial reporting criteria established by the company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India”. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (“the Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note required that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining and understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the Standalone Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A Company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Standalone Ind AS financial statements for external purposes in accordance with generally accepted accounting principles. A Company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Standalone Ind AS financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company’s assets that could have a material effect on the Standalone Ind AS financial statements.

Inherent Limitations of Internal Financial Controls over financial Reporting

Because of the inherent limitations financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not to be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2019, based on “the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Reporting Over Financial Reporting issued by the Institute of Chartered Accountants of India”.

It has a factory in Chennai towards manufacture of Mild Steel Electrodes and Copper Coated Welding wire. The Company's shares are listed on BSE Limited.

Note 23. Summary of Significant Accounting Policies**23.1 Statement of Compliance**

The financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS) as per the Companies (Indian Accounting Standards) Rules, 2015 notified under Section 133 of Companies Act, 2013, (the 'Act') and other relevant provisions of the Act.

Note 24. Basis of preparation and measurement of financial statements

i) The financial statements have been prepared on the historical cost basis, except for certain financial instruments which are measured at fair values at the end of each reporting period. Historical cost is based on the fair value of the consideration given in exchange for goods and services.

ii) The significant accounting policies used in preparing the financial statements are set out in Note No.25

Note 25. Significant Accounting Policies**25.1 Property, Plant and Equipment (PPE)**

i) Property, Plant and Equipment are stated at cost of acquisition net of accumulated depreciation/ amortization and impairment losses if any, except free hold land which is carried at cost less impairment losses if any. The cost comprises purchase prices, (Including import duties and non-refundable purchase taxes after deducting discounts and rebates) borrowing cost if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use.

ii) The Company identifies the significant parts of plant and equipment separately which are required to be replaced at intervals. Such parts are depreciated separately based on their specific useful lives. The cost of replacement of significant parts is capitalized and the carrying amounts of replaced parts are de-recognized. When each major inception/ overhauling is performed, its cost is recognized in the carrying amount of the item of property, plant and equipment as a replacement if the recognition criteria are satisfied. Any remaining carrying amount of the cost of the previous inspection/ overhauling (as distinct from physical parts) is de-recognized.

iii) Other expenses on fixed assets, including day-to-day repair and maintenance expenditure and cost of replacing parts that does not meet the capitalization criteria in accordance with IND AS 16 are charged to the Statement of Profit and Loss for the period during which such expenses are incurred.

iv) PPEs are eliminated from the financial statements on disposal or when no further benefit is expected from its use or disposal. Gains or losses arising from disposal of plant, property and equipment are measured as the difference between the net disposal proceeds and the carrying amount of such assets are recognized in the statement of profit and loss.

v) Depreciation for plant and machinery has been provided on Straight line method and for all other assets Written down value method has been followed.

vi) The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each reporting date and adjusted prospectively, if appropriate.

vii) Upon first- time adoption of INDAS, the company has elected to measure all its property, plant, equipment at the Previous GAAP carrying amount as its deemed cost on the date of transition to IND AS i.e., 1st April, 2016.

25.2 Capital Work in progress

Capital work in progress includes cost of property, plant and equipment under installation, under development including related expenses and attributable interest as at reporting date.

25.3 Current or Non-Current classification

An asset or liability is classified as current if it satisfies any of the following conditions:

- i) Asset or liability is expected to be realized in the company's normal settlement cycle.
- ii) Asset is intended for sale or consumption.
- iii) Asset or liability is held primarily for the purpose of trading.
- iv) Asset or liability is expected to be realized or settled within twelve months after reporting period

25.4 Intangible assets

i) Intangible assets, if any, are amortized over their useful life as determined in accordance with the extant provision of the Companies act 2013

25.5 Inventories

i) Inventories are valued at cost or net realizable value whichever is lower. Cost includes the cost incurred in bringing the inventories to their present location and condition.

ii) Raw materials, stores and spares are valued at cost or net realizable value whichever is lower. Cost includes the cost incurred in bringing the inventories to their present location and condition.

iii) For valuation of finished goods / stock-in-process, cost includes material, direct labor, overheads (other than abnormal amount of wasted materials, storage costs, selling and administrative overheads) wherever applicable.

25.6 Revenue Recognition

- i) Revenue is recognized to the extent that is probable that the economic benefits will flow to the company and the revenue can be reliably measured.
- ii) Sale of products is recognized when the significant risk and reward of ownership of the goods have been passed to the buyer as per the terms of contract. Revenue is measured at fair value of the consideration received or receivable, net of any discounts taxes or duties collected on behalf of the government which are levied on sales such as VAT, GST, etc.
- iii) Dividend income, if any, is recognized when the company's right to receive dividend is established by the reporting date.
- iv) Interest income from financial assets is recognized at the effective interest rate applicable on initial recognition.
- v) Scrap sales is recognized at the fair value of consideration received or receivable upon transfer of significant risk and rewards. It comprises of invoice value of goods and after deducting applicable taxes on sale.
- vi) Export sales for exports are accounted on the basis of date of bill of landing
- vii) Export incentives are accounted for an export of goods of the entitlements can be estimated with reasonable accuracy and conditions precedents to claims are fulfilled.

25.7 Employee Benefits

- i) Short-term employee benefits viz., salaries and wages are recognized as expense at the undiscounted amount in the statement of profit and loss for the year in which the related service is rendered.
- ii) Defined contribution plan viz., contribution to provident fund is recognized as an expense in the statement of profit and loss for the year in which the employees have rendered services. The company contributes to provident fund administered by the Government on a monthly basis at 12% of employee's basic salary. There are no other obligation other than the above defined contribution plan.

iii) Defined Benefit Plan.**Gratuity:**

a. The Company's Liability is actuarially determined (Using the projected unit credit method) at the end of each year. Actuarial losses/Gains are recognized in the other comprehensive income in the year in which they arise. Remeasurement recognized in other comprehensive income reflected immediately in retained earnings and is not reclassified to profit or loss.

iv) Other employee benefits :**Leave Encashment:**

As per policy of the company unavailed leave, casual leave/ earned leave cannot be carried forward or encashed and hence there is no additional cost. The company recognizes the cost as expense as and when the employee avails paid leave.

25.8 Provision, Contingent Liability and Contingent Assets

Provisions involving substantial degree of estimation in measurement are recognized when there is a present obligation as a result of past events and it is probable that there will be outflow of resources. Provisions are determined by discounting the expected future cash flows at a pre- tax rate that reflects current market assessment of the time value of money and the risks specific to the liability. Contingent liabilities not provided for, are disclosed in the accounts by way of Notes.

25.9 Cash Flow statement

Cash flows are reported using the indirect method, whereby profit before tax is adjusted for the effects of transactions of non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows are segregated into operating, investing and financing activities.

25.10 Borrowing Cost

Borrowing cost that are attributable to the acquisition/Construction/Acquisition/Production of qualifying assets (Assets which requires substantial period of time to get ready for its intended use) are capitalized as part of the cost of that asset. All other borrowing cost are charged to revenue.

25.11 Government Subsidy / Grant

Grants from the government are recognized at their fair value where there is reasonable assurance that the grant will be received and the company will comply with all attached conditions. All govt grants are initially recognized by way of setting up as deferred income. Govt grants relating to income are subsequently recognized in the profit or loss over the period necessary to match them with the cost that they are intended to compensate. Govt grants relating to the purchase of property plant and equipment are subsequently recognized in profit or loss on a systematic basis over the expected life of the related depreciable asset. Grants recognized in the profit and loss A/c as above are presented with in other income.

25.12 Foreign Currency Transactions

Foreign Currency Transactions are translated into the functional currency using exchange rates at the date of the transaction. Foreign exchange gains and losses from settlement of these transactions and from translation of monetary assets and liabilities at the reporting date exchange rates are recognized in the statement of Profit and Loss. Non- monetary items which are carried at historical cost denominated in foreign currency are reported using the exchange rates at the date of transaction.

25.13 Earnings per Share

Basic Earnings per share is calculated by dividing the Net profit or loss after tax attributable to equity shareholders by the weighted average number of equity shares outstanding during the year. Diluted EPS is determined by adjusting the Profit or loss attributable to equity shareholders and the weighted average number of equity shares outstanding for the effects of all dilutive potential equity shares.

25.14 Income Tax

The tax provision is considered as stipulated in INDAS 12 and includes current and deferred tax liability. The company recognizes the accumulated deferred tax liability based on accumulated time difference using current tax rate. The company as a conservative measure does not reckon deferred tax asset. Both the current tax and deferred tax liability relating to items recognized outside the profit or loss is recognized either in "other Comprehensive Income" or directly in "Equity" as the case may be.

The company has considered credit entitlement of Minimum Alternate Tax (MAT) where it is reasonably certain that the credit will be available for set-off in accordance with the provision of the Income Tax Act, 1961.

25.15 Segment Reporting

As the company has only one business segment i.e., Textile and only one geographical segment, the segment reporting requirement as per INDAS 108 is not applicable to the company.

25.16 Impairment of Non-financial Assets

- i) The carrying values of non-financial assets are reviewed for impairment at each Balance Sheet date, if there is any indication of impairment based on internal and external factors.
- ii) Non-financial assets are treated as impaired when the carrying amount of such asset exceeds its recoverable value. After recognition of impairment loss, the depreciation / amortization for the said assets is provided for remaining useful life based on the revised carrying amount, less its residual value if any, on straight line basis.
- iii) An impairment loss is charged to the Statement of Profit and Loss in the year in which an asset is identified as impaired.
- iv) An impairment loss is reversed when there is an indication that the impairment loss may no longer exist or may have decreased.

25.17 Financial Instruments

A financial instrument is a contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. Financial assets and financial liabilities are recognized when the Company becomes a party to the contractual provisions of the relevant instrument and are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities at fair value through profit or loss are recognized immediately in profit or loss.

25.18 Financial Asset

- i) Financial assets comprise of investments in Equity, Trade Receivables, Cash and Cash Equivalents and Other Financial Assets.
- ii) Depending on the business model (i.e) nature of transactions for managing those financial assets and its contractual cash flow characteristics, the financial assets are initially measured at fair value and subsequently measured and classified at:
 - a) Amortized cost; or
 - b) Fair value through Other Comprehensive Income (FVTOCI); or
 - c) Fair value through Profit or Loss (FVTPL)
 - d) Amortized cost represents carrying amount on initial recognition at fair value plus or minus transaction cost.
- iii) The Company classifies its financial assets for measurement as below:-

Basis of Measurement	Financial Assets
Amortized cost	Trade receivables, Loan and advances given to Employees and related parties, deposits and other advances recoverable in cash or kind.
FVTPL	Investment in Equity instruments Forward exchange contracts.

- iv) The company derecognizes a financial asset when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party. On De-recognition of a financial asset or part thereof, the difference between the carrying amount measured at the date of recognition and the consideration received including any new asset obtained less any new liability assumed shall be recognized in the statement of profit and Loss.
- v) The company assesses at each balance sheet date whether the financial asset or group of financial assets is impaired. INDAS 109 requires expected credit losses to be measured through a loss allowance. The company recognizes lifetime expected losses for trade receivables that do not constitute a financing transaction. For all other financial assets, expected credit losses are measured at an amount equal to 12 month expected credit losses or at an amount equal to lifetime expected losses, if the credit risk on the financial asset has increased significantly since initial recognition.

25.19 Financial Liability

- i) Financial liabilities comprise of Borrowings from Banks, Trade payables, Derivative financial instruments, financial guarantee obligation and other financial liabilities.

ii) The Company measures its financial liabilities as below:

Basis of Measurement	Financial Liability
Amortized cost	Borrowings, trade payables, interest accrued, Unclaimed/ Disputed dividends, security deposits and other financial liabilities not for trading.
FVTPL	Foreign exchange Forward contracts being derivative contracts do not qualify for hedge accounting under INDAS 109.

- iii) Financial liabilities are derecognized when and only when it is extinguished (i.e) when the obligation specified in the contract is discharged or cancelled or expired.
- iv) Upon de-recognition of its financial liabilities or part thereof, the difference between the carrying amount of a financial liability that has been extinguished or transferred to another party and the consideration paid including any non-cash assets transferred or liabilities assumed is recognized in the Statement of Profit and Loss.

25.20 Fair value measurement

- i) Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.
- ii) The fair value of an asset or a liability is measured / disclosed using the assumptions that the market participants would use when pricing the asset or liability, assuming that the market participants act in the economic best interest.
- iii) All assets and liabilities for which fair value is measured are disclosed in the financial statements are categorized within fair value hierarchy based on the lowest level input that is significant to the fair value measurement as a whole. The fair value hierarchy is described as below:
 Level 1: Unadjusted quoted prices in active markets for identical assets or liabilities
 Level 2: Valuation techniques for which the lowest level inputs that are significant to the fair value measurement are directly or indirectly observable.
 Level 3: Valuation techniques for which the lowest level inputs that are significant to the fair value measurement are unobservable.
- iv) For assets and liabilities that are recognized in the Balance sheet on a recurring basis, the company determines whether transfers have occurred between levels in the hierarchy by reassessing categorization at the end of each reporting period (i.e) based on the lowest level input that is significant to the fair value measurement as a whole.
- v) For the purpose of fair value disclosures, the company has determined the classes of assets and liabilities based on the nature, characteristics and risks of the assets or liabilities and the level of the fair value hierarchy as explained above.
- vi) The basis for fair value determination for measurement and / or disclosure purposes is detailed below:

a. Investments in Equity

The fair value is determined by reference to their quoted prices at the reporting date. In the absence of the quoted price, the fair value of the equity is measured using generally accepted valuation techniques.

b. Forward exchange contracts

The fair value of forward exchange contracts is based on the quoted price if available; otherwise it is estimated by discounting the difference between contractual forward price and current forward price for the residual maturity of the contract using government bond rates.

c. Non-derivative financial liabilities

The fair value of non-derivative financial liabilities viz, borrowings are determined for disclosure purposes calculated based on the present value of future principal and interest cash flows, discounted at the market rate of interest at the reporting date.

25.21 Significant Estimates and Judgments

The preparation of the financial statements requires management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the accompanying disclosures, and the disclosure of contingent liabilities. Actual results could vary from these estimates. The estimates and underlying assumptions are reviewed on an on-going basis. Revisions to accounting estimates are recognized in the period in which the estimate is revised if the revision effects only that period or in the period of the revision or future periods, if the revision affects both current and future years. Accordingly, the management has applied the following estimates / assumptions / judgments in preparation and presentation of financial statements:

(i) Property, Plant and Equipment, Intangible Assets and Investment Properties

The residual values and estimated useful life of PPEs, Intangible Assets and Investment Properties are assessed by technical team duly reviewed by the management at each reporting date. Wherever the management believes that the assigned useful life and residual value are appropriate, such recommendations are accepted and adopted for computation of depreciation/ amortization. Also, management judgment is exercised for classifying the asset as investment properties or vice versa.

(ii) Current Taxes

Calculations of income taxes for the current period are done based on applicable tax laws and management's judgments by evaluating positions taken in tax returns and interpretations of relevant provisions of law.

(iii) Contingent Liabilities

Management judgments is exercised for estimating the possible outflow of resources, if any, in respect of contingencies / claims / litigations against the Company as it is not possible to predict the outcome of pending matters with accuracy.

(iv) Impairment of Trade receivables

The impairment for financial assets are done based on assumptions about risk of default and expected loss rates. The assumptions, selection of inputs for calculation of impairment are based on management judgments considering the past history, market conditions and forward looking estimates at the end of each reporting date.

(v) Impairment of Non-financial assets (PPE/Intangible Assets / Investment Properties)

The impairment of non-financial assets is determined based on estimation of recoverable amount of such assets. The assumptions used in computing the recoverable amount are based on management judgments considering the timing of future cash flows, discount rates and the risks specific to the asset.

(vi) Defined Benefit Plans and Other long term benefits

The cost of the defined benefit plan and other long term benefits, and the present value of such obligation are determined by the independent actuarial valuer. Management believes that the assumptions used by the actuary in determination of the discount rate, future salary increases, mortality rates and attrition rate are reasonable. Due to the complexities involved in the valuation and its long term nature, this obligation is highly sensitive to changes in these assumptions.

(vii) Fair value measurement of financial instruments

When the fair values of financial assets and financial liabilities could not be measured based on quoted prices in active markets, management uses valuation techniques including the Discounted Cash Flow (DCF) model, to determine its fair value. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgments is exercised in establishing fair values. Judgments include considerations of inputs such as liquidity risk, credit risk and volatility.
